

# SPARE PARTS LIST

## 10500SS-GE

### DD400 - 2.5KW DESICCANT - EU 230V / 50Hz

| Ref | Item    | Description                             | Description - English              | UM |
|-----|---------|---|------------------------------------|----|
| 1   | 1619600 | Steuerplatine                           | Control Board                      | EA |
| 2   | 2050020 | Kontrollaufkleber                       | Control Label                      | EA |
| 3   | 2050029 | Prozessluftfilter                       | Process Air Filter                 | EA |
| 4   | 2050030 | Regenerationsluftfilter                 | Regeneration Air Filer             | EA |
| 5   | 2050082 | Trockenmittel Radwelle                  | Desiccant Wheel Shaft              | EA |
| 6   | 3015116 | Silikondichtung                         | Silicone Seal                      | MT |
| 7   | 3020706 | Trocknungsmittelrad - Durchmesser 300m  | Desiccant Wheel - 300mm Dia        | EA |
| 8   | 3030522 | Kippschalter                            | Toggle Switch                      | EA |
| 9   | 3030557 | Drehschalter                            | Rotary Switch                      | EA |
| 10  | 3030778 | Stundenzähler                           | Hour Meter                         | EA |
| 11  | 3030834 | Kondensator - 3uF (Lüftermotor)         | Capacitor - 3uF (Fan Motor)        | EA |
| 12  | 3030835 | Kondensator - 1uF (Lüftermotor)         | Capacitor - 1uF (Fan Motor)        | EA |
| 13  | 3030907 | Kondensator (0.33uF)                    | Capacitor (0.33uf)                 | EA |
| 14  | 3031270 | Netzkabel (Komplett mit Schuko Stecker) | Mains Lead (Complete With Schuko P | EA |
| 15  | 3031403 | Klemmleiste                             | Terminal Block                     | EA |
| 16  | 3031460 | Klemmleiste                             | Terminal Block                     | EA |
| 17  | 3031625 | PTC Heizung                             | PTC Heater                         | EA |
| 18  | 3032501 | Zugentlastung                           | Klambush                           | EA |
| 19  | 3033806 | Chassis Buchse                          | Chassis Socket                     | EA |
| 20  | 3033807 | Freier Stecker                          | Free Plug                          | EA |
| 21  | 3035157 | Hygrostat Goldkontakte                  | Humidistat - Gold Contacts         | EA |
| 22  | 3040250 | Regenerationsventilator Montage         | Regeneration Fan Assembly          | EA |
| 23  | 3040251 | Prozessventilatormontage                | Process Fan Assembly               | EA |
| 24  | 3040252 | Einlassring                             | Inlet Ring                         | EA |
| 25  | 3040289 | Antriebmotor - 230V 50Hz                | Drive Motor - 230V 50Hz            | EA |
| 26  | 3050551 | J- Profil Riemen                        | J-Section Belt                     | EA |
| 27  | 3050552 | J- Riemenscheibe - Durchmesser 50mm     | J-Section Pully - 50mm Dia         | EA |
| 28  | 3101413 | PCB Kunststoff Montagehilfe             | PCB Plastic Mounting Support       | EA |
| 29  | 3101436 | Gummifuß - Klein                        | Rubber Foot - Small                | EA |
| 30  | 3180101 | Strommesser - 20A                       | Ammeter - 20A                      | EA |
| 31  | 3477026 | Überhitzungsschutz                      | Overheat Protector - Man Reest     | EA |
| 32  | 3942329 | Kabelverschraubung und Mutter - M16     | Cable Gland & Nut - M16            | EA |
